CARRINI

Szanowni Państwo,

Nieźmiernie miło Nam przedstawić Państwu nasz nowy produkt - fronty w technologii bezuchwytowej – INSOLITO. Poprzez wprowadzenie innowacyjnej technologii produkcji frontów bezuchwytowych uzyskaliśmy szerokie spektrum możliwości wytwarzania produktu w szerokiej gamie kolorystycznej. Unikalnym rozwiązaniem dotychczas niespotykanym na rynku jest możliwość produkcji frontów bezuchwytowych INSOLITO wykorzystując zarówno płyty MDF, jak też płyty laminowane w strukturze 2D i 3D. Design i ergonomia to dwie cechy, które liczą się najbardziej w nowoczesnych aranżacjach. Minimalizm jest obecnie dominującym trendem. Dlatego systemy bezuchwytowe doskonale sprawdzają się w kuchniach urządzonych w tej stylistyce nadając im luksusowy charakter. Oddajemy w Państwa ręce nowy produkt fronty INSOLITO i głęboko wierzymy iż poprzez wyjątkowość i unikalność naszego nowego produktu, zarówno pod względem innowacyjnej technologii produkcji jak również designu odniesiemy wspólnie sukces na rynku.

Dear Sir or Madam,

We are very pleased to present you our new product - fronts in a handle-free technology - INSOLITO. By introducing an innovative production technology for handleless fronts, we have obtained a wide spectrum of product manufacturing possibilities in a wide range of colors. A unique solution, so far unheard of on the market, is the possibility of producing INSOLITO handle-free fronts using both MDF boards and laminated boards in 2D and 3D structures. Design and ergonomics are two features that matter most in modern arrangements. Minimalism is the dominant trend these days. Therefore, handle-free systems are perfect for kitchens decorated in this style, giving them a luxurious character. We present to you a new product of INSOLITO fronts and we strongly believe that due to the uniqueness and uniqueness of our new product, both in terms of innovative production technology and design, we will achieve success on the market together.

# ESSEN

Program ESSEN to propozycja kuchni z frontami AKRYLOWYMI. Fronty AKRYLOWE są bardzo sztywne, i odporne na wszelkie zarysowania. Dodatkowo są produktem ekologicznym, zawierającym jony srebra które wykazują działania antybakteryjne. Fronty AKRYLOWE posiadają głębię połysku czyli dają tak zwany efekt szkła. Program ESSEN to kuchnia niezwykle efektywna, podkreślająca styl i charakter wnętrza. Dodatkowo możemy podkreślić i nadać indywidualny look swojej kuchni wybierając uchwyty opcjonalne z naszej oferty.

The ESSEN programme is a proposal of a kitchen with ACRYLIC fronts. ACRYLIC fronts are very rigid and resistant to any scratches. In addition, they are a product ecological, containing silver ions that have antibacterial effects. ACRYLIC fronts have a gloss depth, they give the so-called glass effect. The ESSEN programme is an extremely effective kitchen, emphasizing the style and character of the interior. In addition, we can emphasize and give individual look for your kitchen by selecting optional holders from our offer.
